10. Can the buyer obtain a loan?

11. How will the escrow fees be paid?

The escrow fees will be shared one half by seller, one half by buyer, each to pay own fees.

12. Do the properties have starting bids?

This varies by property. Usually, they do not have a starting bid unless Otherwise stated in the brochure.

13. Are the properties open for inspection?

Yes. Please refer to the brochure for the specific open house schedule. However, for reasons beyond the seller's and Kennedy Wilson's control, the properties may not be available for inspection even if an open house has been scheduled. See Covid-19 Addendum.

14. Do I need proof of funds to submit an offer?

Yes, you must submit proof of funds with your offer. Kennedy Wilson reserves the right to disregard any offer it receives without proof of funds. You must also provide your vesting (how you are going to hold title), your address and phone number. Be prepared to provide a copy of your driver's license, if requested.

15. Is the 10% deposit refundable if I decide to change my mind?

If you are the high bidder, your 10% deposit is not refundable based on the fact that these properties are sold AS-IS WHERE-IS with all faults known or unknown, disclosed or undisclosed, discoverable or undiscoverable, financeable or un-financeable, and with no financing contingencies. If escrow does not close within the 45 days, or within an extension of time granted by the seller, Probate Code of California Section 10350 requires the seller to ask the probate court to vacate the sale or charge the buyer a \$200 per day hold open fee. If the court orders the sale vacated, the law requires the deposit to be held by the seller until the property has

been sold again and escrow has closed. If the total amount of the final sales price, plus the amount of expenses and fees allowed by the court for vacating the first sale, is less than sales price of the vacated sale, the difference is paid from the deposit. If the difference is greater than the deposit, a lawsuit to collect the amount is usually filed. The relevant portion of Probate Code Section 10350 says: "If after the confirmation, the purchaser neglects or refuses to comply with the terms of the sale, the court may vacate the order of confirmation and order a resale of the property. If the amount realized on such resale does not cover the bid and the expenses of the previous sale, the defaulting purchaser at such previous sale is liable to the estate for the deficiency." See Covid-19 Addendum for online auctions.

A higher bid may be accepted by the court if they are made in court and they are in an amount equal to the accepted bid, plus five percent (5%) of that amount plus \$500. The court shall deem any further incremental successive overbidding amounts. For instance, if the high bid on auction day was \$700,000 the first minimum overbid will be \$735,500 (\$700,000 + 5% of the high bid amount + \$500).

19. If my offer is accepted, when can I close escrow?

A hearing to present your offer will be in approximately 3 to 6 months where it is subject to Court Confirmation and Overbid.
